

VEGETABLE GARDENING

From the beginning

Come join us as Stacey Smithers, from the Stephanie Alexander Foundation of Jarrahdale Primary School, guides us through the basics of vegetable gardening, using the principles of organic permaculture. This is for everyone who doesn't know where to start or wants a refresher. Stacey is a garden specialist and permaculturist and is a Serpentine-Jarrahdale local so she knows the climate and soils we live in.

You will learn all about
soil (the building block of great nourishing food ,
Seasonal growing, what to plant when
Seeds, buying and collecting
Natural pest and disease management
Looking after your baby plants
Construction of vegie gardens
And much more
