Connect Session for Parent
A parent session on Connect will be held on 1 June at 2:30pm in the ICT room. This session will provide a hands-on opportunity to explore the system. We encourage all parents to attend the session as we are channelling a large portion of school and class information through Connect. All schools are changing over to use online communications, whether Connect or a similar system. If you have any queries please contact Jackie in the school office.

Damaged Library Books
Parents are reminded to ensure students take care of library books. The number of damaged and wet books has increased significantly this term. Students must have a waterproof library bag in order to borrow library book.

Ceiling Replacement
Our ceilings in the main teaching block are being replaced due to an incident that occurred in another school several years ago. Classes will move into room 2 while ceilings are being replaced. There will be some disruption with this movement however it will be kept to a minimum and learning will continue as usual, just in a different space.
