Damaged Library Books
Parents are reminded to ensure students take care of library books as the number of damaged and wet books has increased significantly this term. Students must have a water proof library bag to borrow a book.

Class Leaders
Congratulations to our Term 2 class leaders.
K/PP—Maggie & Daragh
Room 4— Olivia
Room 1—Kaitlyn
Room 3 Seamus

School Jumpers
Now that the weather is turning cold please ensure a school jumper is packed in your Child’s bag. School jumpers must be labelled and worn under home jumpers in cold weather.

Ceiling Replacement
Our ceilings in the main teaching block are scheduled to be replaced due to an incident that occurred in another school several years ago. Classes will move into room 2 while class ceilings are being replaced. There will be some disruption with this movement however it will be kept to a minimum with learning continuing as usual but in a different space.

Mrs Denholm | Principal
4 May 2016

ANZAC Service
Thank you all families who have attended the ANZAC service this year. Thank you also to Caiden, Jack K and Harper for representing the school at the Dawn Service. Thank you to Iona for creating the wreaths.

NAPLAN
NAPLAN 2016 tests will be held on 10 - 12 May. NAPLAN is an assessment tool for governments, schools and parents to understand and improve the literacy and numeracy outcomes of Australian students.

NAPLAN provides parents of students in Years 3/4/5/7&9 with a report on their child’s performance in literacy and numeracy against the national average. Specific information regarding the program, including details about tests, participating, special provisions and a wide range of other issues can be found on the NAPLAN website.

Nude Food Monday
Nude Food is encouraged every day however Monday is our focus day. Nude Food is food without excess packaging. This reduces the amount of “stuff” that needs to go in bins to be sent to landfill. Durable reusable containers are a great way to bring food, as they last for longer periods of time providing long term, cost saving and environmental benefits.

Cross Country
This year the event will be held on Friday 20 May. Commencing at 8:50am on the top oval. All students from K to 6 participate with distances ranging from 120m to 1450m. It is important that appropriate footwear is worn daily as students practice regularly for this event. Parents are also reminded to ensure students pack Asthma puffers and spacers.
Room 1 Assembly
Kung-Fu Punctuation

Room 4 learning about the body in the Life Ed Van.

Preparation begins for Athletics and Cross Country competition.
